Satan sought to set himself up on
a Throne above God = in which he
would judge the motives and charac-
ter of God. There are Adventist Min-
isters today doing the same.
1956-1960= Walla Walla College =
Paul C. Huebach began judging God,
that He should not Destroy.
1968-1969= Because no one challenged
him = this disease was picked up and
spread by Elder Morris Lewis in Keene
College (Texas = the land of Whoppers)
former professor of Theology for
SWJC or SWMC. (You see why it is a
Sin not to put a Stop to Error right
here and now. In the Home = in the
Church = as God did in Heaven. And
at the risk of His own Son's life.)
YOU SEE WHY= It is Satan's own doc-
trine NOT to find fault = NOT to ac-
cuse, and thus cause the loss of too
many Souls. Their blood on our head.
"...that through God's GRACE they
could gain fresh vigor to again rise
above their own EVIL NATURES: and,
remembering this, we are ready to RE-
NEW the conflict ourselves. Infidels
and lovers of sin EXCUSE=THEIR=CRIMES
...The principles of Justice required
a faithful narration of FACTS...as a
WARNING against disobedience...CON-
QUERED through the GRACE of God, we
are ENCOURAGED, and led to press over
the obstacles that degenerate NATURE
places in our way...God sends His
prophets to WARN the guilty, DENOUNCE
their sins, and pronounce JUDGMENT
upon them...Thus are revealed the
SNARES and DEVICES of Satan, the im-

portance of perfecting Christian CHARAC-
TER...Even Satan...WOULD=NOT=DARE to make
the speeches which some LAW=HATING=MINI-
STERS make from the pulpit: yet he exalts
in their BLASPHEMY." EGW=ARA 311-2. Nov.
8, 1909. (A new Book="EGW=AUSTRALIAN RE-
CORD ARTICLES"= about \$15.50. LEAVES OF
AUTUMN, PO Box 440, Payson, Ariz. 85541.)
"FOR SIN THOU SHALT NOT SURELY DIE!" =
this doctrine from the Serpent from the
Tree of Knowledge of Good and Evil = to
come in: "Ever new and changing forms."
To beguile the Simple = and confound the
Wise = began in 1956 by Adventist Mini-
sters. WALLA WALLA and KEENE COLLEGE.
1973= Fred Wright of the Awakening gar-
bage collector's Union = second-hand
Dealer who: "also ran!" = began beating
the Drums for this Adventist Minister's
Invention. Pretending it was his own.
1968= Mike Clute, radio Evangelist of
"GOD'S LAST CALL" PO Box 5, Sheridan,
Oregon 97378. Began feeling his way =
1977= he put out a tentative Study = 59
pages for 99¢ = "DOES GOD KILL PEOPLE?"
THESE PEOPLE TRY= to account for all the
calamities to come and in the past = to
natural causes and "Nature!" That God
somehow was clairvoyant and knew before-
hand what "Nature!" and the Devil would
do= so He "predicted" it to come. While
He would turn His back = twiddle His
thumbs = and PRETEND He did not know what
was going on! And thus be GUILTLESS of
the CRIME taking place in His kingdom.
Thus He was able to PREDICT the exact
Year of the Flood = 120 years ahead of
Time. He had the Fire raining down from
'God out of Heaven' on Sodom and Gomorrah
= He was out a bit = but came close.
The Challenge between Moses and KD+A =
the ground opening up = was again only
'NATURE!' and they can prove it by end-
less Genealogies and foolish Questions

that:"are unprofitable and vain." Titus
3:9. to their own and others destruction.
WE WOULD LIKE = to make many more obser-
vations about this Sophistry of Satan
the Devil as he has come down with great
Power in these closing Days = but before
we do, let us quote this marvelous Testi-
mony - see how many things we imagined
which were not so = in this Record:
"GO FORWARD." It was not an easy thing
to hold the Hosts of Israel...They were
excited and full of terror...Impressed
by the horrors of their situation, they
become violent and unreasonable...The
wonderful pillar of cloud had accompan-
ied them in their wanderings, and served
to protect them from the fervid rays of
the sun. All day it had moved grandly
before them, subject neither to sunshine
nor storm: and at night it had become a
pillar of fire to light them on their
way. They had followed it as the signal
of God to go forward; but now they ques-
tioned among themselves if it might not
be the shadow of some terrible calamity
that was about to befall them, for had
it not led them on the WRONG SIDE of the
Mountain into an impassible way? Thus
the angel of the Lord appeared to their
deuded minds as the harbinger of dis-
aster.
"But now as the Egyptian host approaches
them, expecting to make them an easy
prey, the cloudy column rises majestic-
ally into the Heavens, passes over the
Israelites, and descends between them
and the armies of Egypt. A=WALL=OF=DARK-
NESS=INTERPOSES between the pursued and
their pursuers. The Egyptians can no
longer discern the Camp of the Hebrews,
the wall of cloud becomes a GREAT LIGHT
to the Hebrews, illuminating the whole
Camp with the radiance of day.
"Then the hope that they might be de-
livered came to the hearts of Israel.

"And Moses lifted up his voice unto
the Lord. "And the Lord said unto
Moses, Wherefore criest thou unto Me,
speak unto the children of Israel,
that they go FORWARD. But lift up thy
rod, and stretch out thine hand over
the sea, and divide it: and the chil-
ren of Israel shall go on dry ground
through the midst of the sea."
"Then Moses, obeying the Divine com-
mand, stretched out his rod, and the
waters parted, rolling up in a wall
on either side, and leaving a broad
pathway across the bed of the sea for
the children of Israel. The LIGHT
from the pillar of fire shone upon
the foam-capped billows, lighting the
road that was cut like a mighty fur-
row through the waters of the Red Sea
until it was lost in the obscurity of
the farther shore.
"All night long sounded the tramping
of the hosts of Israel crossing the
Red Sea: but the cloud hid them from
the sight of their enemies. The Egyp-
tians, weary with their hasty march,
had encamped upon the shore for the
night. They saw the Hebrews only a
short distance before them, and as
there seemed no possibility of escape
they decided to take a night's rest
and make an easy capture in the morn-
ing. The night was intensely dark,
the clouds seemed to encompass them
like some tangible substance. Deep
sleep fell upon the Camp; even the
sentinels slumbered at their posts.
"At last a ringing blast arouses the
army! The cloud is passing on! The
Hebrews are moving! Voices and the
sound of marching come from toward
the sea. It is still so dark that
they cannot discern the escaping peo-
ple, but the command is given to make
ready for the pursuit. The clatter of

arms and the roll of chariots, the marshalling of captains and the neighing of steeds, is heard. At length the line of march is formed, and they press on through the obscurity, in the direction of the escaping multitude.

"In the darkness and confusion, they rush on in their pursuit, NOT=KNOWING THAT=THEY=HAD=ENTERED upon the bed of the sea, and are hemmed in on either hand by beetling walls of water. They long for the mist and darkness to pass away, and reveal to them the Hebrews and their own whereabouts. The wheels of the chariots sink deep into the soft sand, and the horses become entangled and unruly. Confusion prevails, yet they press on, feeling sure of victory.

"At last the mysterious cloud changes to a pillar of fire [all by "NATURE"] before their astonished eyes. The thunders roll and the lightnings flash, the waves roll about them, and fear takes possession of their hearts. Amid the terror and confusion, the lurid LIGHT reveals to the amazed Egyptians the terrible waters massed up on the right hand and on the left. THEY=SEE=THE=BROAD=PATH that the Lord ["NATURE?"] the Lord has made for His people across the shining sands of the sea, and behold triumphant Israel SAFE=ON=THE=FARTHER=SHORE.

"Confusion and dismay seize them. Amid the wrath of the elements, in which they hear THE=VOICE=OF=AN=ANGRY=GOD, they endeavour to retrace their steps and fly to the shore they have quitted. But Moses stretches forth his rod, and the piled-up waters, hissing, rearing, and eager for their prey, tumble down upon the armies of Egypt. Proud Pharaoh and his legions,

gilded chariots and flashing armour, horses and riders, are engulfed beneath a stormy sea. The mighty God of Israel has delivered His people, and their songs of thanksgiving go up to heaven, that God...

[Almost sound like BLASPHEMY to ask the stupid Question here = this was NATURE?] "...that God has wrought so wonderfully in their behalf..." EGW=ARA 315-6.1909.

[We pause here to remind you that the Spirit of Elijah, the Spirit of Rev. 18, as Babylon is destroyed for the last Time, we see the Saints of God = "REJOICE over her, thou Heaven, and ye holy apostles and prophets; for God hath AVENGED you on her." Rev. 18:20. PP 100. Ps. 58:10. SOP 1:412. SG 1:212. BUT NOTICE! who is LAMENTING and BEWAILING that God SHOULD NOT=DESTROY! The KINGS of the earth that committed fornication with her, and the MERCHANTS of Babylon who waxed rich on her DRUG and other TRAFFIC are the ones who WEEP and MOURN and WAIL that God should NOT DESTROY! Led by Seventh-day Adventist ministers = !!! As you see, the evidence before your eyes. Or are you one of the BLIND ones? With a cold, callous heart, thinking that God and His people should not win out? When the hosts of the wicked Rabble come to the Camp of the Saints at the Death-Decree Hour? The entire World THRILLS at the Victory of God's people at the Red Sea. This gives them COURAGE to face the dark Future, knowing that God and His Angels are standing by = ready to pull the Wheels off the Egyptian Chariots. Or would you rather side with the STICK=IN=THE=MUDS who wail and lament that God's people will win out? Will you so DEBASE yourself as to pay God's Tithe to those who rear up in our Day = declaring that if God would dare to "DESTROY" the Killer-Crew = He would be "...no=better=in=NATURE=than=the DEVIL!" (Courtesy of SDA CLUTE=WRIGHT!)

[We rejoice in the Power of the God of Israel who has written these things to give HOPE and LOVE and CHARITY to God's people for the TRUTH ALONE = even if faced by DEATH = and SEPARATION = GC 602, 612. "Glorious will be the DELIVERANCE." GC 634. "Through Thy precepts I get understanding: therefore I HATE every false way." GC 602. SG 2:201. COL 73.]

NOW TO CONTINUE THE REFERENCE =

"The history of the children of Israel is written for the instruction and admonition of all Christians...The divine command was, "Go forward!" They were not to wait until the way was made plain...that He might work out their deliverance and forever rid them of their enemies...

"The Lord is now dealing with His people who believe present truth...He says to His people, "Go forward!" True, the PATH is not yet opened...The IMAGINATION pictures impending ruin before, and bondage or death behind. Yet the Voice of God speaks clearly above all discouragements, "Go forward!" We should obey this command, let the results be what it may...

"The Hebrews were weary and terrified; yet if they had held back when Moses bade them advance, if they had refused to move nearer to the Red Sea, God would never have opened the PATH for them. In marching down to the very water...They did ALL that it was in their power to do, and THEN the Mighty One of Israel performed HIS PART, and divided the waters...

"The clouds that gather about our way will NEVER disappear before a halting, doubting spirit. UNBELIEF SAYS...let us WAIT... But FAITH courageously urges an advance, hoping all things, believing all things. OBEDIENCE to God is SURE to bring the victory. It is only through FAITH that we can reach Heaven.

"There is great similarity between our history and that of the children of Is-

rael. God led His people from Egypt into the wilderness, where they could keep His law...The Egyptians, who had no regard for the Lord, were encamped close by them; yet what was to the Israelites a great flood of LIGHT...wa to the hosts of Pharaoh a wall of clouds, making blacker the DARKNESS of night.

"So, at this time, there is a people whom God has made the depositaries of His law. To those who obey them, the commandments of God are as a pillar of FIRE, lighting and leading the way to eternal salvation. But unto those who disregard them, they are as the clouds of night...In keeping His commandments there is great reward...it is the only way to obtain His favor." "Go forward!" EGW=ARA 316. Nov. 22, 1909.

NEED WE REMIND YOU = that the Red Sea victory will be repeated in the Voice of God hour. As they pass the Death Decree = they will spell their own Doom. Then it will be clear that: "Aye DO unto OTHERS = SO shall it be DONE to you again!" (The LAW above all LAWS = the LAW of RETRIBUTION.)

They come to Kill the Saints and they will be Killed. AGAIN=what will they do at the End of the 1,000 years? Again they prepare for WAR = proving what? Proving that they are INCURABLE = they are out to DESTROY! And God's own LAW declares that he that takes the Sword = must perish by the Sword. They will find, too late = that God means just what He says.
